It's that crazy festive time of year again and what better way to celebrate than getting Tickled!

We thought we could add a bang to your New Year by letting you know about the most exciting event for us yet. The Tickled Pink crew have had this 'Flavour of the Month' in mind for a while now and the time has finally come to let him loose on our decks.

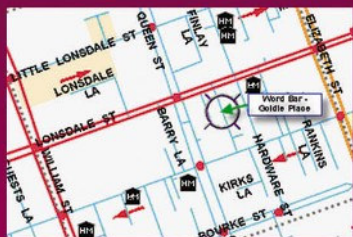

Tickled Pink's resident chicks **Danni B, Sass & Miss Chris**, will be joined by San Fran's house king & Tickled Pink's first international guest, **Chris Lum**.

Chris Lum is widely known for being a major contributor in the development of the San Francisco house scene. He has been heavily involved in its development on many levels - as a producer, retail figure and DJ.

As a DJ, Chris Lum is highly respected and the mention of his name brings many associations with timeless parties in San Francisco and all around the world. He is admired for his classic house sound, solid and creative mixing skills and dance floor energy. Us Tickled Pink girls are all massive fans so we cannot wait to see what he has in store for us!

The night also promises to contain all the usual TP shenanigans so make sure you come down to enjoy this special event.
