Everyone loves a good 'Fro Down' & with August's 'Flavour Of The Month' how could we resist?

Yes you guessed it, Melbourne house legend Luke McD is making his first TP appearance and we couldn't be happier. You might have seen Luke DJ'ing at some of Melbourne's hottest clubs over the past 10 years - OneSixOne, The Lounge, Honkytonks and Revolver to name only a few. He recently returned from a overseas trip which saw him support 2 Many DJ's in their home town of Belgium, play on a boat party in Brussels, ABC Club in Glasgow, Pogo Club in Dublin for The Body Tonics Crew and also at warehouse and beach parties in Barcelona. Between his funky mix of tech, electro and dirty house and that awesome fro he is packin' he is a truly unforgettable DJ.

To put a fun spin on things we are encouraging you to wear your phattest fro to get into the true McD spirit. Don't be shy now!

Don't forget we now have 2 floors of madness happening at every event so you not only can you catch regular Tickled Pink residents, Danni B, Sass and Miss Chris but you also have Circus residents playing upstairs on the lush rooftop all night long!

First 100 people through the door get Tickled Pink Vol. 2 CD mixed by Luke McD!

See you there!!
